YOUR PLEDGE WILL SAVE LIVES!

Life Network operates two pregnancy centers and offers a variety of services to provide a more holistic approach to valuing life and the lives of men, women and children in Colorado Springs.

1. PREVENTION. Students learn how to set healthy relationship and sexual boundaries in our Education for a Lifetime program - and are challenged to consider their worth throughout our suicide awareness and prevention curriculum, Who Can Relate.

2. INTERVENTION. We provide material resources and community connections to help give women the confidence they need to know they'll be supported in their pregnancy and beyond.

3. TRANSFORMATION. We offer professional counseling, mentoring, and resources through our parenting program, LifeSteps - and an abortion-recovery Bible study through Bridges of Hope.
