YOUR PARTICIPATION WILL SAVE LIVES!

Life Network operates two pregnancy centers and offers a variety of services to provide a more holistic approach to valuing life and the lives of men, women and children in Colorado Springs.

1. PREVENTION.

We educate local students on healthy relationships and mental health using presentations in public and private high schools.

2. INTERVENTION.

We provide free pregnancy tests, ultrasounds, STD testing and material resources so that families know they will be supported in their time of need.

3. TRANSFORMATION.

We offer parenting coaching, professional counseling, and material resources through our parenting education program – and hope and healing through our post-abortion Bible study.
