YOUR PLEDGE WILL SAVE LIVES!

Life Network serves thousands of families in Colorado Springs each year and sees hundreds of lives transformed.

1. **PREVENTION.** We educate local students on healthy relationships and mental health using presentations in public and private high schools.

2. **INTERVENTION.** We provide free pregnancy tests, ultrasounds, STD testing and material resources so that families know they will be supported in their time of need.

3. **TRANSFORMATION.** We offer parenting coaching, professional counseling, and material resources through our parenting education program – and hope and healing through our post-abortion Bible study.
