

### Sample Email #3 – General Ministry Focused

*Just weeks after graduating from high school, Taryn\* discovered she was pregnant. Though she had always been pro-life, she was devastated and wanted to quickly have an abortion. She and her boyfriend were both Christians with hopes and dreams to serve in ministry the rest of their lives. Taryn and her boyfriend had first heard of Life Network as 8th graders when they volunteered to help with the Walk for Life. Later, they had listened to a presentation by Life Network's Education for a Lifetime outreach in their school. Taryn's senior paper highlighted the services of Life Network as she advocated for abortion alternatives. Now, she faced the crisis she never thought would happen to her. She felt hopeless, fearful and worried about disappointing everyone. They came to Life Network and met with kind, compassionate staff. They left filled with hope because of the help that was offered. Both Taryn and her boyfriend became a part of the parenting program, receiving one-on-one coaching and encouragement. In the months ahead, they learned how to be good parents for their baby. Soon after, they were married and celebrated the birth of baby Chase\*. They continued to attend their parenting program appointments, and today are so grateful Life Network was there for them, empowering them to choose life!*

Prevention. Intervention. Transformation. This is the purpose of Life Network. On June 6, I am walking in the Walk for Life because I want to partner with this ministry as they seek to value life and help transform the lives of students, moms, dads, babies and their families. Last year, 557 women chose life after seeing their baby on an ultrasound at Life Network. And, 76 men and women made decisions for Christ. That's an incredible difference made in Colorado Springs, helping moms, dads, students and families as we "stand firm in the one Spirit" (Philippians 1:27) together, for Life.

Everything Life Network provides is free to the clients and students they serve. The funds I raise will help make these services possible. I need your support to reach my fundraising goal of \_\_\_\_\_! Please consider a donation of \$25, \$50, \$100 or more and sponsor me on my personal fundraising webpage. {link here}
