

## Sample Church E-Blast

Dear Church Family,

Valuing life and transforming lives: this is the heartbeat of the message of Life Network. On Saturday, June 6, the ministry of Life Network will be hosting their 39th Annual Walk for Life. You have the opportunity help moms, dads, students and babies here in Colorado Springs – together, for life!

Life Network makes a difference in over 15,000 lives in our city each year, serving the community in the areas of Prevention, Intervention and Transformation. Life Network ministers to moms, dads, their babies, students and families through the Colorado Springs Pregnancy Centers, motherhood and fatherhood parenting programs, post-abortive healing ministry and student education on healthy relationships and mental health. Each day, they meet the practical, emotional and spiritual needs of many, sharing the love of Christ and His uncompromising truth while pointing each towards life-affirming options. Last year, 557 women chose life for their babies after receiving an ultrasound from Life Network! In addition, 76 men and women made commitments to Christ. To learn more, you can visit [eLifeNetwork.com](http://eLifeNetwork.com).

As a church, we are excited about Life Network's life-giving mission! Our goal is to gather \_\_\_\_\_ walkers from [church name]. YOU can help make this possible. Your support with impact lives today and for generations. Go to [walkforlife.com](http://walkforlife.com) and in just five minutes, you can set up your personal fundraising page. Simply send a link via your social media or email to friends, family members, co-workers and neighbors. All of the services Life Network offers are completely free of charge. The funds you raise help make this possible. Please join us to Walk for Life!

Thank you for making a difference for life!
